

ONLINE BANKING BILL PAYMENT WORKSHEET

Do you make payments online? We can help you transfer your online bill payments from your current account to your new Main Street Bank account.

We'll even walk you through how to set up your online bill payments. Please fill out the attached form for each payment and we can either set up the payments with you, or help you through the steps of how to set up your payments.

HELPFUL HINT: Use your past bank statements to develop a list of any online bill payments that may need to be added to your new account.
